**Technical Specifications**

|                      |                      |
|----------------------|----------------------|
| LED power (W)        | 25                   |
| Mounting             | Magnets              |
| Lumen output (Lm)    | 2100                 |
| Lumen/Watt           | 85 - 95 - 105        |
| CCT (K°)             | 3000K°-4000K°-6000K° |
| Beam angle (°)       | 120                  |
| Power factor         | 0.9                  |
| CRI                  | >80                  |
| IP                   | 20                   |
| Inpute (Vac)         | 230V                 |
| Energieklasse        | A+                   |
| LED chip             | 2835 SMD             |
| LED Brand            | Epistar              |
| Number of LEDs       | 252                  |
| Cable (cm)           | 19                   |
| Driver incl.         | yes                  |
| Driver intern/extern | intern               |
| Warranty (years)     | 2                    |
| Dimmable             | no                   |
| Dimensions (mm)      | 210x1,3              |
| Life time(Hr)        | 30.000               |

12/2020

As a replacement for round TL-lamps
